3rd December

Open Door Wednesday 3:15-3:30pm

This Week

We have certainly noticed the BUZZ of excitement as advent calends have started to be opened and elves have started to appear!

The children have still been working hard though.

We have begun to look at instructions and their features. The children have enjoyed using their bossy words to instruct each other.....and me....to complete different tasks.

We have been revising the names of different 2D shapes and have started to look at their criteria i.e. How many edges or corners do they have? Are their edges straight or curved?

We have been practising
for our Nativity.

If you haven't heard anything by now,
your child's outfit has been sorted for
them in school.

Please can black, plain footwear be
provided for the performance next
week
(pumps preferable but not essential)

Please Note

In our final week in school (week beginning 13th December) we will be having our Christmas Parties.

On the **15th** KS1 children are able to wear their **own clothes** for their party (sensible footwear please).

On the **14th** KS1 children will need to bring in a **packed lunch** as KS2 will be having their party on that day.
