This Week In Reception

This week the children were still looking at pirates. We have been using the Talk for Write techniques to write the story Pedro's Pirate Treasure. The children have acted out the story and written it. We have also been looking at more and fewer in maths as well as ordering our daily routine and the days of the week.

Home Work

Reading **MUST** take place at least three times a week to ensure children are progressing.

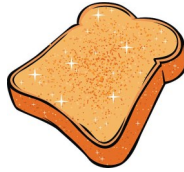

This week the children have been given some homework based around the days of the week.

Please complete this by next week, as well as reading at least three times a week and practising their words.

Reading at home really enables your child to develop further within their education at a more steady rate, keeping in line with their Early Learning Goals.

Thank you for your co-operation.
