

Welcome back! I can't believe we are starting our final term in school and it will soon be time for my class to move on to their high schools! This term is set to be another jam-packed one with SATs coming up then all our end of year events and celebrations.

This Week...

Maths

This week we have been revising key arithmetic skills, multiples, factors, multiplication and division. We have also been looking at known facts and how we can use these to solve more complex calculations.

English

We have been focusing on techniques for reading that will help us in our SATs tests. The main technique we have practised is finding evidence in the text and explaining our answers. We have also been thinking about the author's word choices and trying to answer 2 and 3 mark questions.

This week was our 'Showcase' where we were able to share our learning in Design Technology with Parents and Carers as well as enjoying our 'Healthy Balanced Diet Buffet'. It was lovely to see so many of you in school! Thank-you to everyone who was able to attend.

Next Week...

Next week is 'Extreme English Week' where we will be taking part in many exciting activities including 'Dressing up as favourite book characters' on Thursday. Please ensure costumes are appropriate for our Christian School. We are also very excited about our 'Get Caught Writing Competition'. Please send photos of your child writing in an unusual place (the stranger the better!) Alternatively, you can e-mail entries to admin@leacofe.lancs.sch.uk (closing date – 2nd May)

The book fair has now arrived in school! It will be open in CLASS 5 from 3.20 – 3.40 on 26th April, 29th April and 1st May). Please come along and have a look or alternatively send some money into school with your child if they would like to buy a book!

Important Dates

- Tuesday 30th April – 3:00-3:15pm Parent Information Session on the Life Education Bus. You are warmly invited to attend.
