

Class 3 Newsletter - Summer Term – 8th July 2022

This Week

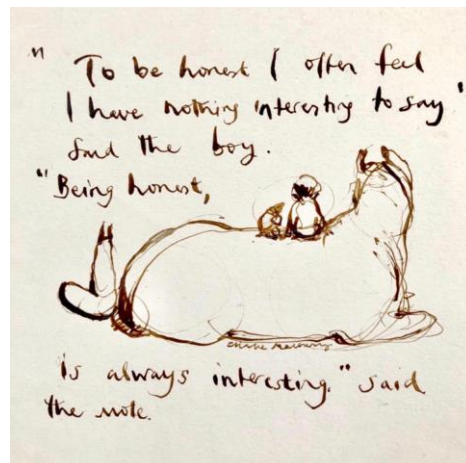

This week has been Extreme English Week and we have been using the picture book, *The Wide Wide Sea*, to explore plastic pollution and the effects on God's amazing creation. The children have been doing many group activities to encourage collaboration and, we even based our class worship on the theme to help educate the rest of our school family.

Uniform Reminder

Although we are in our final half term, we still have high expectations in terms of uniform. Children should be wearing school shoes on days when they do not have PE; trainers are not part of our daily uniform. PE shorts should be plain blue or black and not cycling shorts. **Please note that the school uniform policy are available on the website if you are unsure, especially if you are purchasing new uniform for September. We will send out a flyer before we break up as a reminder.**

Our Christian Value this week is-

Truth

Celebration

Well done to Eva, Lewis and Charlie for their excellent work last week, winning the certificates in Celebration Worship. I am super proud of you!

Christian Value – Tom for flourishing with his knowledge during Extreme English Week

Class Superstar – Rocco for his wonderful Homework Project

Writer of the Week- Archie for making such a lot of progress in Writing and presentation this year

Dates for your diary

10th July – Leavers' Service@ St Christopher's Church – 9:30am – all welcome.

11th July – Move On Morning

22nd July – School breaks up for Summer holidays @ 2pm

Diorama Competition

Thank you to all the children who took part in the Create a Diorama competition. As always, the level of creativity astounded me and we all enjoyed sharing each other's creations. It is always lovely to see children taking part in wider school activities. The winners will be decided this afternoon and announced in due course. Well done everyone!

Class 3 Round Up

I cannot quite believe that this is the last class newsletter of the year! It has certainly crept up very fast, and I don't know about you, but the weather is still convincing me that we are in Autumn! The children are becoming tired at this point and are gearing up for a long rest over the summer holidays. They will have the opportunity to spend time with their classmates for next year on Monday morning. As you know, half of the Year 3 children will move to Class 4 with Mr Bateman and the Year 5 children, and half will become the Year 4 element of Class 3. These choices are always made with careful consideration, and Mr Bateman and I work hard to ensure that all Year 4 children access the same curriculum to ensure equity. Please feel free to contact me next week if you have any questions.

A couple of weeks ago, I asked the children what they had enjoyed most about this year. Their answers were varied and reminded me of all the wonderful things we have done in Class 3, and with our whole school family. Our trip to Borwick Hall was a firm favourite – it always amazes me how much the children grow from this opportunity. Their confidence soars and they realise that it is good to challenge themselves and face their fears. Other children picked out individual subjects as being their favourite things, books read in class, development in Maths, exciting Art or having the opportunity to learn a new sport in PE. Some children loved delivering class worships, some chose visits from Mad Science or church organisations, whilst others identified special days such as Super Science Day or Pyjama Day! We have had a fantastic year with so many wonderful experiences and I am sooo proud of ALL the children and the personal progress they have made. Thank you for all *your* support too – it has made a huge difference and I appreciate all the hard work. Have a fabulous summer and look forward to seeing you all again in September ☺
