

Year 1 Newsletter

"Let your light shine"

No. 11

27th November 2020

What a wonderful week we have had! The children have been so excited being with their friends again and the chatter in the class has been beautiful to listen to. Year 1 Class are all great friends together and have shown again how much they care for each other welcoming each other back to class on Tuesday morning and discussing with each other what they had been doing at home. We also walked 10 times around the school field carrying buckets of water. It really made the children think about the daily journey Orbisa makes to get water for her children. Many children remarked how difficult it was to carry the bucket when they were getting tired; asking how Orbisa manages to get all the water back home without spilling it.

Our **Diamond 9** this week is **flourish** for which I can say is appropriate to all Year 1 who are flourishing in their learning. The children are amazing me every day with the development of their knowledge and skills.

If you have any questions or comments you would like to share please email me

Courageous Advocate

Our Courageous Advocate this week is Charles Wesley, composer of 'Hark the Herald Angels Sing'
Can you answer the question?

How many songs did he compose singing God's praise?

Certificates

Diamond 9 Flourish
Wiktorina who is flourishing in her learning.

Star of the Week
Ethan for always trying his best.

Important Information

Harvest Appeal

Thank you for the sponsor money that has been sent in. Please continue to collect sponsor money for our walk to raise money for Tearfund Charity.

Science Homework - Amazing Animals Project

A project for your child to gather information on an animal of their choice, which they can present to the class in the **final week of term**.

Christmas Lunch

Christmas Lunch will be held on 15th December 2020 for Year 1.

Please send in the reply slip for choosing meal options.

Giving and Receiving of Christmas Cards

We are aware that many children will want to send Christmas cards to each other. We therefore have a range of ways that children can do this in the current climate:

Children bring in their cards on either a **MONDAY** or a **TUESDAY**. These will then be quarantined and distributed on the **FRIDAY** of that same week. Please tuck the lid of the envelope rather than licking them.

Rather than sending in cards, you may wish to make a donation to our chosen charity, **NEST Lancashire**; an organisation which supports children with mental health and wellbeing challenges. Please send your donations in an envelope.

If you do **not** wish your child to receive Christmas cards, please contact school to let us know.

May the God of hope fill you with all joy and peace as you trust in him, so that you may overflow with hope by the power of the Holy Spirit.
