

Home Learning for Reception – Week beginning 27.4.20

Hi Reception, I hope you enjoyed some of the activities last week. Here are some new ideas to help you with your learning while you are staying at home. Don't worry if you can't complete all the tasks but try to have a go, and as always, let your light shine.

Just a reminder of my email address if you need anything: a.bamber@leacofe.lancs.sch.uk
Please feel free to send me a message or any photos of the things you have been doing as I love seeing them!

Maths

There are lots of wonderful resources on the White Rose Maths Hub for you to access for your child to support Home Learning. Please access via the link below and select Summer Week 2.

Additional Resources:

BusyThings - Literacy, Communication & Language
Username- leaendowed
Password- class1

Youtube:

2D and 3D Shape Videos:

<https://www.youtube.com/watch?v=OEbRDtCAFdU>

<https://www.youtube.com/watch?v=beTDz9HSNOM>

<https://www.youtube.com/watch?v=guNdJ5MtX1A>

Topmarks:

A variety of interactive games that children can carry out on a tablet.

English

Daily activities can be found on the Read and Respond Unit on our Home Learning area on the website. This week we are looking at eggs.

Phonics

Can you recap all your phase 2 sounds? Try and challenge yourself to write some words using these sounds.

Handwriting

Can you practice writing these letters? Remember to start in the place with the red dot.

<https://www.topmarks.co.uk/Search.aspx?Subject=37>

Reading

We have our own class area on Oxford Owl. You can access it by logging in with these details:
Username: recep19
Password: bamber

Follow the link below and then select My Class Login. On here you will be able to choose books to read, listen to stories and take part in activities around the text.

<https://www.oxfordowl.co.uk/>

Another useful website is:

<https://www.lovereadings4kids.co.uk/>

Other

Geography: Can you find out which countries make up the United Kingdom and write their names on this map?

Science: Can you try and make an egg float? Follow the link below to carry out this science test

<https://www.twinkl.co.uk/resource/t-t-252428-eyfs-floating-egg-science-experiment-and-prompt-card-pack>

RE

Ask your child to think about why their home is a special place. Can they name things in the house that are special to them? How do they feel when they come home after school? How do they feel when they arrive at their house when they have been away from it?

Watch the video about Abraham who was told by God to move to a new land and make his home there. Before watching ask your child: How do you think Abraham might feel about moving house?

<https://www.youtube.com/watch?v=8JeYA2x1OIk>

Art: Can you decorate a hard-boiled egg? You could make your favourite character from a story or a famous person.

PE: Try and be active for 60 minutes each day in which every way you can.

Music: Why not try and learn a new song this week?

https://www.outoftheark.co.uk/ootam-at-home/?utm_source=homepage&utm_campaign=ootamathome2&utm_medium=banner

Was your prediction right?
Have you ever moved house?
How did you feel when you moved house?

Activity:

Draw a picture of your house and label some of the special things in your house.
