

Class 3 – Summer 1 Round Up

How wonderful it has been to see the sunshine at the latter end of this half term! ☺ We had some time outside last week as part of Outdoor Learning Day. We really improved our Class 3 outdoor area, removing weeds, turning the soil and planting wildflower seeds gifted to us as part of the Coronation celebrations. It was also wonderful to see so many of the children walking or wheeling to school last Friday – they were able to recognise how doing this regularly can really help our bodies, our local area and our world as a whole. We have had a very busy half term starting with the most amazing trip to Borwick Hall. The weather was perfect for us to enjoy our time canoeing (a very firm favourite), traversing and bouldering, doing the crate challenge and team building games. We all enjoyed our special Coronation Day at the beginning of May. In Class 3, we designed a brand-new logo for the King, using pictures to represent the countries he rules over as well as his passions such as the environment and climate change. We dodged the showers to enjoy a whole school picnic lunch with

many of us dressed in red, white and blue. We were also very grateful for the extra Bank Holiday too – there seems to have been very few Mondays in school recently!!

Our learning this half term has included rewriting a familiar fairy tale and changing key elements of the story, tackling time and money in our Maths, learning all about Ancient Egypt in our History and recreating the work of a modern-day Egyptian artist, Alaa Awad. In our RE, the children have considered whether all churches are the same. Our Science work has focused on forces and we have enjoyed investigating air resistance and water resistance by making hoop gliders, paper planes and parachutes.

We are now looking forward to the final half term of the year.....hopefully with even more sunshine! I wish you and your family a lovely half term.

Celebrations

19th May - Well done to Cain for a grateful heart, Georgia Pe for excellent attitude to learning and Lacey for super writing.

26th May – Archie for having a mature attitude, Maisie for beautiful presentation and Harley-Jay for reading all his word cards accurately. I was blown away by the talent of our singers and recorder players in Worship this week – AMAZING!

Well done to Tom for his charity work over the weekend and Ebony, Sam T and Kobi for their participation in sports competitions. Brilliant news that Rhema is our latest Ethos Group member – so well deserved!
