

This Week...

Maths

This week we have been illustrating and naming the parts of a circle and calculating and comparing volumes of cubes and cuboids using cm^3 . We have also continued to revise and practice skills needed for the arithmetic test.

English

This week we have been focusing on descriptive writing using the 'Show not Tell' method to convey characters' feelings.

Across the Curriculum

In D.T we have been tasting healthy alternatives to traditional buffet food. We have then begun to think about foods that we could include in our BALANCED DIET buffet to which parents will be invited (see Important dates below). In R.E. we have written poems using metaphors to describe Jesus and we have created some beautiful Art work representing the joy of Easter Sunday. These will be shown at our Easter Celebration on Wednesday 10th April.

Next Week...

Next week will be a busy last week in school!

Our annual 'Easter Carousel' day is on Monday! We will be moving around the classes in school and learning about EASTER in a variety of ways.

Wednesday is our Easter Celebration Service and on Thursday we will be having an Easter bonnet and decorated egg competition. Please send in named entries on this day if your child would like to enter!

In between all this we will also be finding some time for Maths, English and Science ☺
