

Class 3 Newsletter 07.05.21

This week in Class 3...

We have been developing our description writing in English. This is in preparation for writing a story, based on what we have been reading in class, set in a tropical rainforest. Maths lessons have focussed on calculating the area and perimeter of different shapes. In Geography, the children have conducted research and created fact files of South American countries. The children have also learned about stylistic features of Motown and Soul music, and produced posters to showcase this learning. In RE, we have discussed the similarities and differences in churches across the world and a timeline of how the church has changed.

Extreme English Week

It is Extreme English Week next week! This is a reminder that 'Dress Up day' will be on Thursday 13th May. The children can come to school dressed as their favourite book character, or wear an outfit related to books in some way. Please do not feel that you need to buy outfits and please ensure costumes are respectful of our Christian ethos.

Art with Mrs Morris

Just another polite reminder: if anyone has any catalogues/magazines that they wouldn't mind bringing in to school to be cut up for an art collage activity that would be greatly appreciated! Thank you.

Courageous Advocate

The courageous advocate that we are celebrating this week is Gladys Aylward. When Gladys was 26 years old she entered a missionary school in London called the China Inland Mission Centre. Gladys chose to dedicate her life to serving God and others.

How many orphans did she lead to safety and how long was their journey?
