

Class 5 Newsletter

Summer Term – 2nd July 2021

This Week

This week the children have been writing formal letters to local businesses, asking them if they are willing to donate raffle prizes for our Enterprise day. Hopefully, they will respond and our raffle will raise lots of money! The children have also participated in creating a giant online 'Let's say thank you together' card for frontline workers, inspired by the artist, Charles Mackesy. Play practise is going really well; the children know their lines now and are growing in confidence with their expressiveness. The songs are coming along too. We enjoyed a Euro themed Maths Morning on Thursday – our brains were aching by the end of it but it was lovely to see the children helping each other and collaborating in order to succeed.

Fidgets

Fidgets are definitely the latest craze and come in all shapes and sizes and different types. Some of the children in class have fidgets as a concentration aid and these form part of their individual learning plans, however some children are bringing these into class as a toy and they are proving a distraction. No fidgets please, unless your child has one provided by school for a specific purpose.

We are involved with the Race for Life school

event this year, with all staff and children running around our track to raise money for valuable research into cancer by Cancer Research UK.

To sponsor your child, or to make a contribution to Cancer Research UK, please follow the link to our Just Giving Page.

Celebration

Peace – Faith for trying to be a peacemaker amongst friends

Star Writer – Evie for writing a great letter to a local business.

Curriculum Award – Ollie, Jensen and Lewis for really challenging themselves and helping others with their Euro Maths

Key Information

I know that there have been some issues with WhatsApp groups over the last few days – whilst I regularly speak to the children about the issues around social media, I would strongly urge you all to regularly check phones and the content of sent and received messages, as I know this is a forum where children can express themselves in ways that are not always appropriate. We all want the very best for these gorgeous children.

Our Christian Value for this week has been

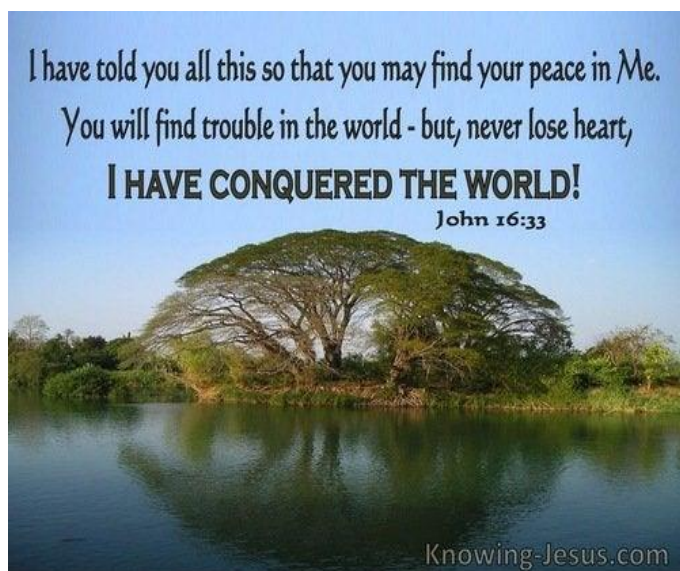

Peace

I have told you all this so that you may find your peace in Me.

You will find trouble in the world - but, never lose heart,

I HAVE CONQUERED THE WORLD!

John 16:33

Knowing-Jesus.com

Have a lovely weekend!

Next Week

The children will be involved in **Super Safety Week** – a whole school themed week where we will look at water safety, road and rail safety, online safety, sun safety and keeping ourselves safe in public areas. We will do a range of activities across the curriculum for this.

We will continue with our Theme Park Maths project.

Our **'Together as One'** programme will reach the penultimate week. The children have engaged brilliantly with this and we have all learned much about tolerance, discrimination and, most importantly, how to change the world for the better.

On Thursday the 7th July, weather permitting, we will be holding our whole school **Race for Life** as detailed above.
