Classroom News

This week in class we have been reading Ocean Commotion and have been looking at words that rhyme in the story. We have enjoyed looking at animals that live in the oceans and have been coming in each day to watch fish on our screen.

We have continued to talk about Christmas in our RE lessons and this week we have been talking about how we spend Christmas with our family. We have been talking about the dinner we like to eat, the Christmas trees we help put up and the presents we would like to get this year.

In Maths we have been looking at 3D shapes and have been working hard on trying to name the shapes and find them in the classroom.

We have started to learn the songs that we will be singing in our Christmas production and are quickly learning all the words.

**Don't Forget Please send in cake donations for the
Christmas Cafe - bought/wrapped from Monday 2nd and fresh
cakes on the morning of the Fayre- Wednesday 4th- thank
you.**

Coats

A number of children can still not put their own coat on so please take the time this weekend to practice with your child putting on and taking off their coat and fastening buttons and zips.

IMPORTANT - Parking is limited around school and is a concern for all. Now that the children have been in school for over 2 months, to help ease traffic and not put children in danger, please drop your child off in the school playground and leave immediately so that spaces can become available for other children being dropped off.
Thank you.

OPEN DOOR

It is not always possible to discuss your child's attitude to work and performance in class at the end of a day. Open Door is an opportunity for you to look at our classroom and also ask any questions. This is each Wednesday at 3.30-3.50

Curriculum Award – Harley for fantastic understanding of shapes

Christian Value Certificate for Compassion – Jessica for helping others and showing kindness
