### Harvest Appeal

This year we are raising money for the Free State of South Africa to promote recycling and further nurture of the environment. On **Thursday October 23<sup>rd</sup>**, we are having a Harvest Day where the children are asked to come wearing the colours of the South Africa flag (blue, white, black, green, yellow, red). We are asking for a donation of £2 which will include the children making some recycled craft item to bring home. Thank you 😊

### In Class

This week in class we have been working hard with our numbers and place value. The children have been learning to round numbers to the nearest 10 following the rhyme 'If it ends with 1,2,3 or 4, Hit the floor! If it ends with 5,6,7,8 or 9, Climb the vine!' Try giving your child a number and see if they can round it to the nearest 10. The Monarchs were the worthy winners of the TTRS Battle – well done to everyone who took part. There were some amazing scores on the board! The class have finished Fantastic Mr Fox this week and have been busy using it as a stimulus for writing speech, inferring information, upskilling vocabulary and sequencing events. Miss Wilson has been comparing life for a rich Tudor with life for the poor – there was a very big difference! Thank you to all the children who have brought in their Tudor houses so far – they are amazing and will hopefully encourage us all to complete our homework project. We have been writing about our friends this week in preparation for our joint Class 3 and 4 display board. We were inspired by David's friendship with Jonathan from the Bible which we have been discussing in our RE lessons. Thank you to all the parents, carers and friends who attended our Autumn Praise yesterday. The children sang their hearts out and I hope you enjoyed watching the performances as much as we enjoyed doing them!
