Friday 25th March 2022

Our Christian Value this week is **Forgiveness**.
Why is it so important to forgive others?

Hello Parents and Carers,
It has been another busy week in class and we have enjoyed learning outside and the lovely weather.

Learning in Class

This week in our English activities we have enjoyed sharing two more titles from the Mucky Minibeast book series – Ants and Centipedes. The children really enjoyed discovering lots of interesting facts about both of these. Did you know that an ant has two stomachs? We also discovered that some centipedes glow in the dark! In our maths work we have been focusing on subtraction – using base ten and pictorial representations to prove our answers. We have also been exploring micro-habitats and created our own minibeast fact files and posters using the laptops.
