Polite Reminders...

- We ask that children only wear trainers on their PE day. If children come to school in trainers on a non PE day, they will be asked to wear pumps in school.
- We recognise that all the roadworks are causing a lot of extra challenge and frustration for parents and staff alike. Please can we ask that parents park safely outside school and move cautiously at this difficult time. Please also allow extra time for travel to and from school.
- Reminder that smart watches (watches with the capacity to access the internet or text messages) are not allowed in school.

This Week....

We have started looking at The Highway Rat in English. We have been changing 'singular' into 'plural' by adding 's' and have been trying to add describing words into our work to create more interest.

In Maths we have explored the numbers 11-20 and discussed how many 10s and 1s can be found in each number. The children have used base 10, tens frames and bead strings to help them better understand the composition of these numbers.
