Mrs Lucarelli and Miss
Courtney's Weekly
Newsletter.

4th February

Open Door Wednesday 3:15-3:30pm

This Week

We have enjoyed exploring the names and properties of 3D shapes. We have been making models and using paint to find out what shapes the faces of our 3D shapes are made up of.

In English we have been finding out FACTS. We have been writing facts about space and space travel as we dive deeper into our 'Excellent Explorers' topic.

Safer Internet Day

As we celebrate Safer Internet Day in school, please can you be mindful of all the measures you can also put in place at home. Please take the opportunity to check what your children are accessing on their devices and that it is age appropriate. Ensure internet filters are also in place so that children are not accidentally accessing inappropriate content. If you are unsure of how to do this, please get in touch and we will try our best to help.

*Above all else,
GUARD YOUR HEART,
for everything
you do*

Flows from it.

Proverbs 4:23

Reading Books

It has been brought to our attention that there may be some unsuitable images or language in a very small percentage of the free reading books that your child may bring home. This, of course, is disappointing and is not in line with our Christian ethos.

As our class libraries have a large number of books in them, it is almost impossible to check them all as thoroughly as we might like and, therefore, we are asking you, as parents and carers, to be mindful when reading with your child, and make us aware of any reading material which is not suitable for our children. It will then be disposed of.

Thank you.

Certificates and Awards
