

Our Christian value this week is-

Peace

This Week

The children have been learning about evaporation in our Science work and have written both a prediction and a conclusion relating to an investigation we set up in class. We have been learning more about Jesus spreading light into the lives of others, and exploring how artists represent this in Nativity pictures. We have continued looking at multiplication and division in our Maths work.

Contact

Class 3 has an Open Door every Tuesday at 3.20pm until 3:40pm – please come along and ask any questions you may have.

If there is an issue with your child, please contact me in the first instance; either catch me on the Lea Road gate in a morning or e-mail me at r.bolton@leacofe.lancs.sch.uk
