

Home Learning for Class 3– Week beginning 15.06.20

Hello Class 3, welcome to a new half term of learning! I know that you will continue to try hard and shine even brighter! Remember, I would love to see any work that you have been doing. If you or your grown ups want to contact me, my email address is r.bolton@leacofe.lancs.sch.uk

Maths

Warm – Up – To make a number using different methods and provided numbers.

Make 126. Use all of the numbers (200, 5, 4, 2, 6) to arrive at an answer of 126. You can use addition, subtraction, multiplication or division, but each number may only be used once.

Now, can you make up one of your own?

Please access via the link below and select **Summer Week 7**. N.B. It will be titled w/c 8th June due to our 2 week half term

Year 3 - <https://whiterosemaths.com/homelearning/year-3/>

Equivalent Fractions and Comparing fractions – The video lessons remain online but the worksheets now need to be accessed via the Home Learning tab on our school website

Year 4 - <https://whiterosemaths.com/homelearning/year-4/>

Tenths and hundredths as decimals and associated division- The video lessons remain online but the worksheets now need to be accessed via the Home Learning tab on our school website

I know that you are probably getting really good at fractions now! They are a huge part of Lower Key Stage 2 Maths Curriculum so please work hard on these

Practise all your times tables using Times Tables Rock Star or any other method which helps you.

Remember, Hit the Coconut is also on Topmarks website. Remember, by the end of Year 4 you should be secure in all your times tables up to 12 x 12

English

For our Home Learning in English, I am recommending that you access the LPDS Home Learning **Read and Respond Units** found on the additional attachment to this plan. Remember, there is one for Year 3 and one for Year 4.

This week, you will be looking at **Fun in the Forest** in **Year 3!**

Spend a week exploring stories and films set in different forests. You have stories to read, characters to meet, poems to write, facts to find and songs to sing!

Year 4s, you will be doing **The World of David Walliams**

I know many of you really enjoy these books and even have some at home! Enjoy a week of exploring a variety of books by David Walliams, comparing characters, watching clips of the screen adaptations, reviewing his work and lots more!

Reading - Use Oxford Owl for Home

My Class Name is **lea3**

My Class Password is **lighthouse**

Spelling -

Year 3s – learn how to spell these subject specific words

Forest, paddling, legend, traditional, reluctant

Year 4s – learn how to spell these subject specific words

Feature, extract, elaborate, despise, vagabond

Now use Word Hippo <https://www.wordhippo.com/> to write out their definitions and see if you can find synonyms and antonyms for these words too using the search bar at the top.

Practise handwriting – alphabet strip is at the bottom of this plan

Home Learning for Class 3– Week beginning 15.06.20

Hello Class 3, welcome to a new half term of learning! I know that you will continue to try hard and shine even brighter! Remember, I would love to see any work that you have been doing. If you or your grown ups want to contact me, my email address is r.bolton@leacofe.lancs.sch.uk

Other

Our **History** topic this half term is The Great Plague which seems very topical at the moment!

This week I would like you to find out about how the Plague was treated.

- Who were the Plague Doctors?
- What did they do?
- What did they wear and why?
- Can you draw and label a Plague Doctor? What do they remind you of?

Continuing with our work in **Science** on How Does Your Garden Grow, Access <https://www.ase.org.uk/ase-coronavirus-hub-primary-remote-learning-resources> and select the Year 4 '**Living Things and their Habitats**' unit

Explorify (membership is free) Select '**Living Things and their Habitats**' from the 'Science Topic' and choose from those activities

Design Technology – Can you create your own Plague Mask?

Ideas for this can be found on:

<https://www.pinterest.co.uk/pin/150729918759201407/>

or

<https://feltmagnet.com/crafts/How-to-make-a-plague-doctors-mask-Black-death-dead-diseased-middle-ages-Tudor-times>

Decorate your mask however you like – send me a photo – I would love to see it!

PE – Try some more of the activities on:

<https://www.youtube.com/watch?v=cycQCK8w1-o>

PHSE - Remember you can watch Newsround every day to keep up to date with what is happening in the world:

https://www.bbc.co.uk/newsround/news/watch_newsround

RE

Watch this video with Lisa:

<https://www.youtube.com/watch?v=mTWPMCbUgOc>

Do you remember Lisa? She has been to visit school on several occasions.

Do the activities that Lisa suggest; looking carefully at a real bird or finding a picture of a bird on the internet or in a book.

Draw the bird and, as you are drawing it, say a prayer to God, giving thanks for his wonderful creation.

Lisa talks about 'being still' and really noticing the world around us.

Find a quiet place in your house and really look and listen; what can you see that you perhaps haven't noticed before? What sounds can you hear?

When we discussed Worship music last term, many of you enjoyed the Hillsong Worship. Listen to this song entitled **Be Still**

<https://www.youtube.com/watch?v=H7pJb49vVQY>

What do you think this quote from the book of Psalms means?
