

## Class 3 Newsletter

Spring Term – 7.2.20

### This Week...

We have had a focus on our mental health this week as it has been Child Mental Health Week across the country. We have been talking about 'finding our brave', whether that be telling an adult if we feel sad or worried or whether it be trying a new challenge. The children enjoyed making posters and comic strips and working together to make a difference to their own health and that of those around them. We enjoyed a special Maths Morning on Thursday, moving around the Key Stage 2 classes and working on activities such as making mocktails, looking at number patterns and building 3D towers from spaghetti and marshmallows. The electronic games we have been making in DT are now complete and we have evaluated their success. We also performed our contemporary dances to the rest of the class and many of us enjoyed sharing our Italy projects too.

### Next Week...

We will continue looking at formal methods of multiplication and using our new knowledge to solve problems in Maths. In our Science work we shall be evaluating all the work we have done on electricity and discussing the hazards of electricity if not used properly. Our English work will run alongside our RE this week as we explore Creativity, our half term theme, further. In our Art, we are going to combine our skills with French and History to create something exciting. Watch this space!! In our PE, we shall be continuing our dances from around the world and interpreting our ideas through a puppet themed dance. We shall be finalising our leaflets about Italy and printing them out.

### Important Dates

- 14<sup>th</sup> February – School closes for half term at 3.15pm
- **Tuesday** 25<sup>th</sup> February – School Re-opens @8.55am

- Thursday 2<sup>nd</sup> April @10am – Easter Celebration Day
- Friday 3<sup>rd</sup> April – School closes for Easter @2pm

Our Christian Value this week is **Creativity**

Thank you for all the plant donations for our Reflection Area. The Ethos Group have started planting them with Mr Goodwin and we are all enjoying the splash of colour they bring. Any further donations are very welcome as we are hoping to have flowers all year round. Planters (preferably non plastic) are also required, if anyone has any lurking in a shed or garage which they no longer need.

Please note that any outstanding homework projects are due in this week. We are really enjoying sharing them with each other and the creativity shown so far has been fabulous!
