

Hello Year 1,

I am sat here hiding inside the house with a fan pointed directly at me, trying to escape the heat!! I don't know about you but these last couple of days I have felt like I have been transported abroad on holiday. Have any of you found any crafty ways of keeping cool? I would love some tips.

We have been experimenting by making ice lollies. My favourite so far is Vimto, but I'm tempted to try to freeze some fruit juices or even freeze fruit in the lolly to make it more interesting. Could you have a go at making or designing an ice lolly? Or have you already had a go at making them at home?

We also experimented and made smoothies. Sophia chose to make a broccoli and grape smoothie (not my favourite combination) we then made a watermelon, strawberry and lime smoothie, which was a little tastier.

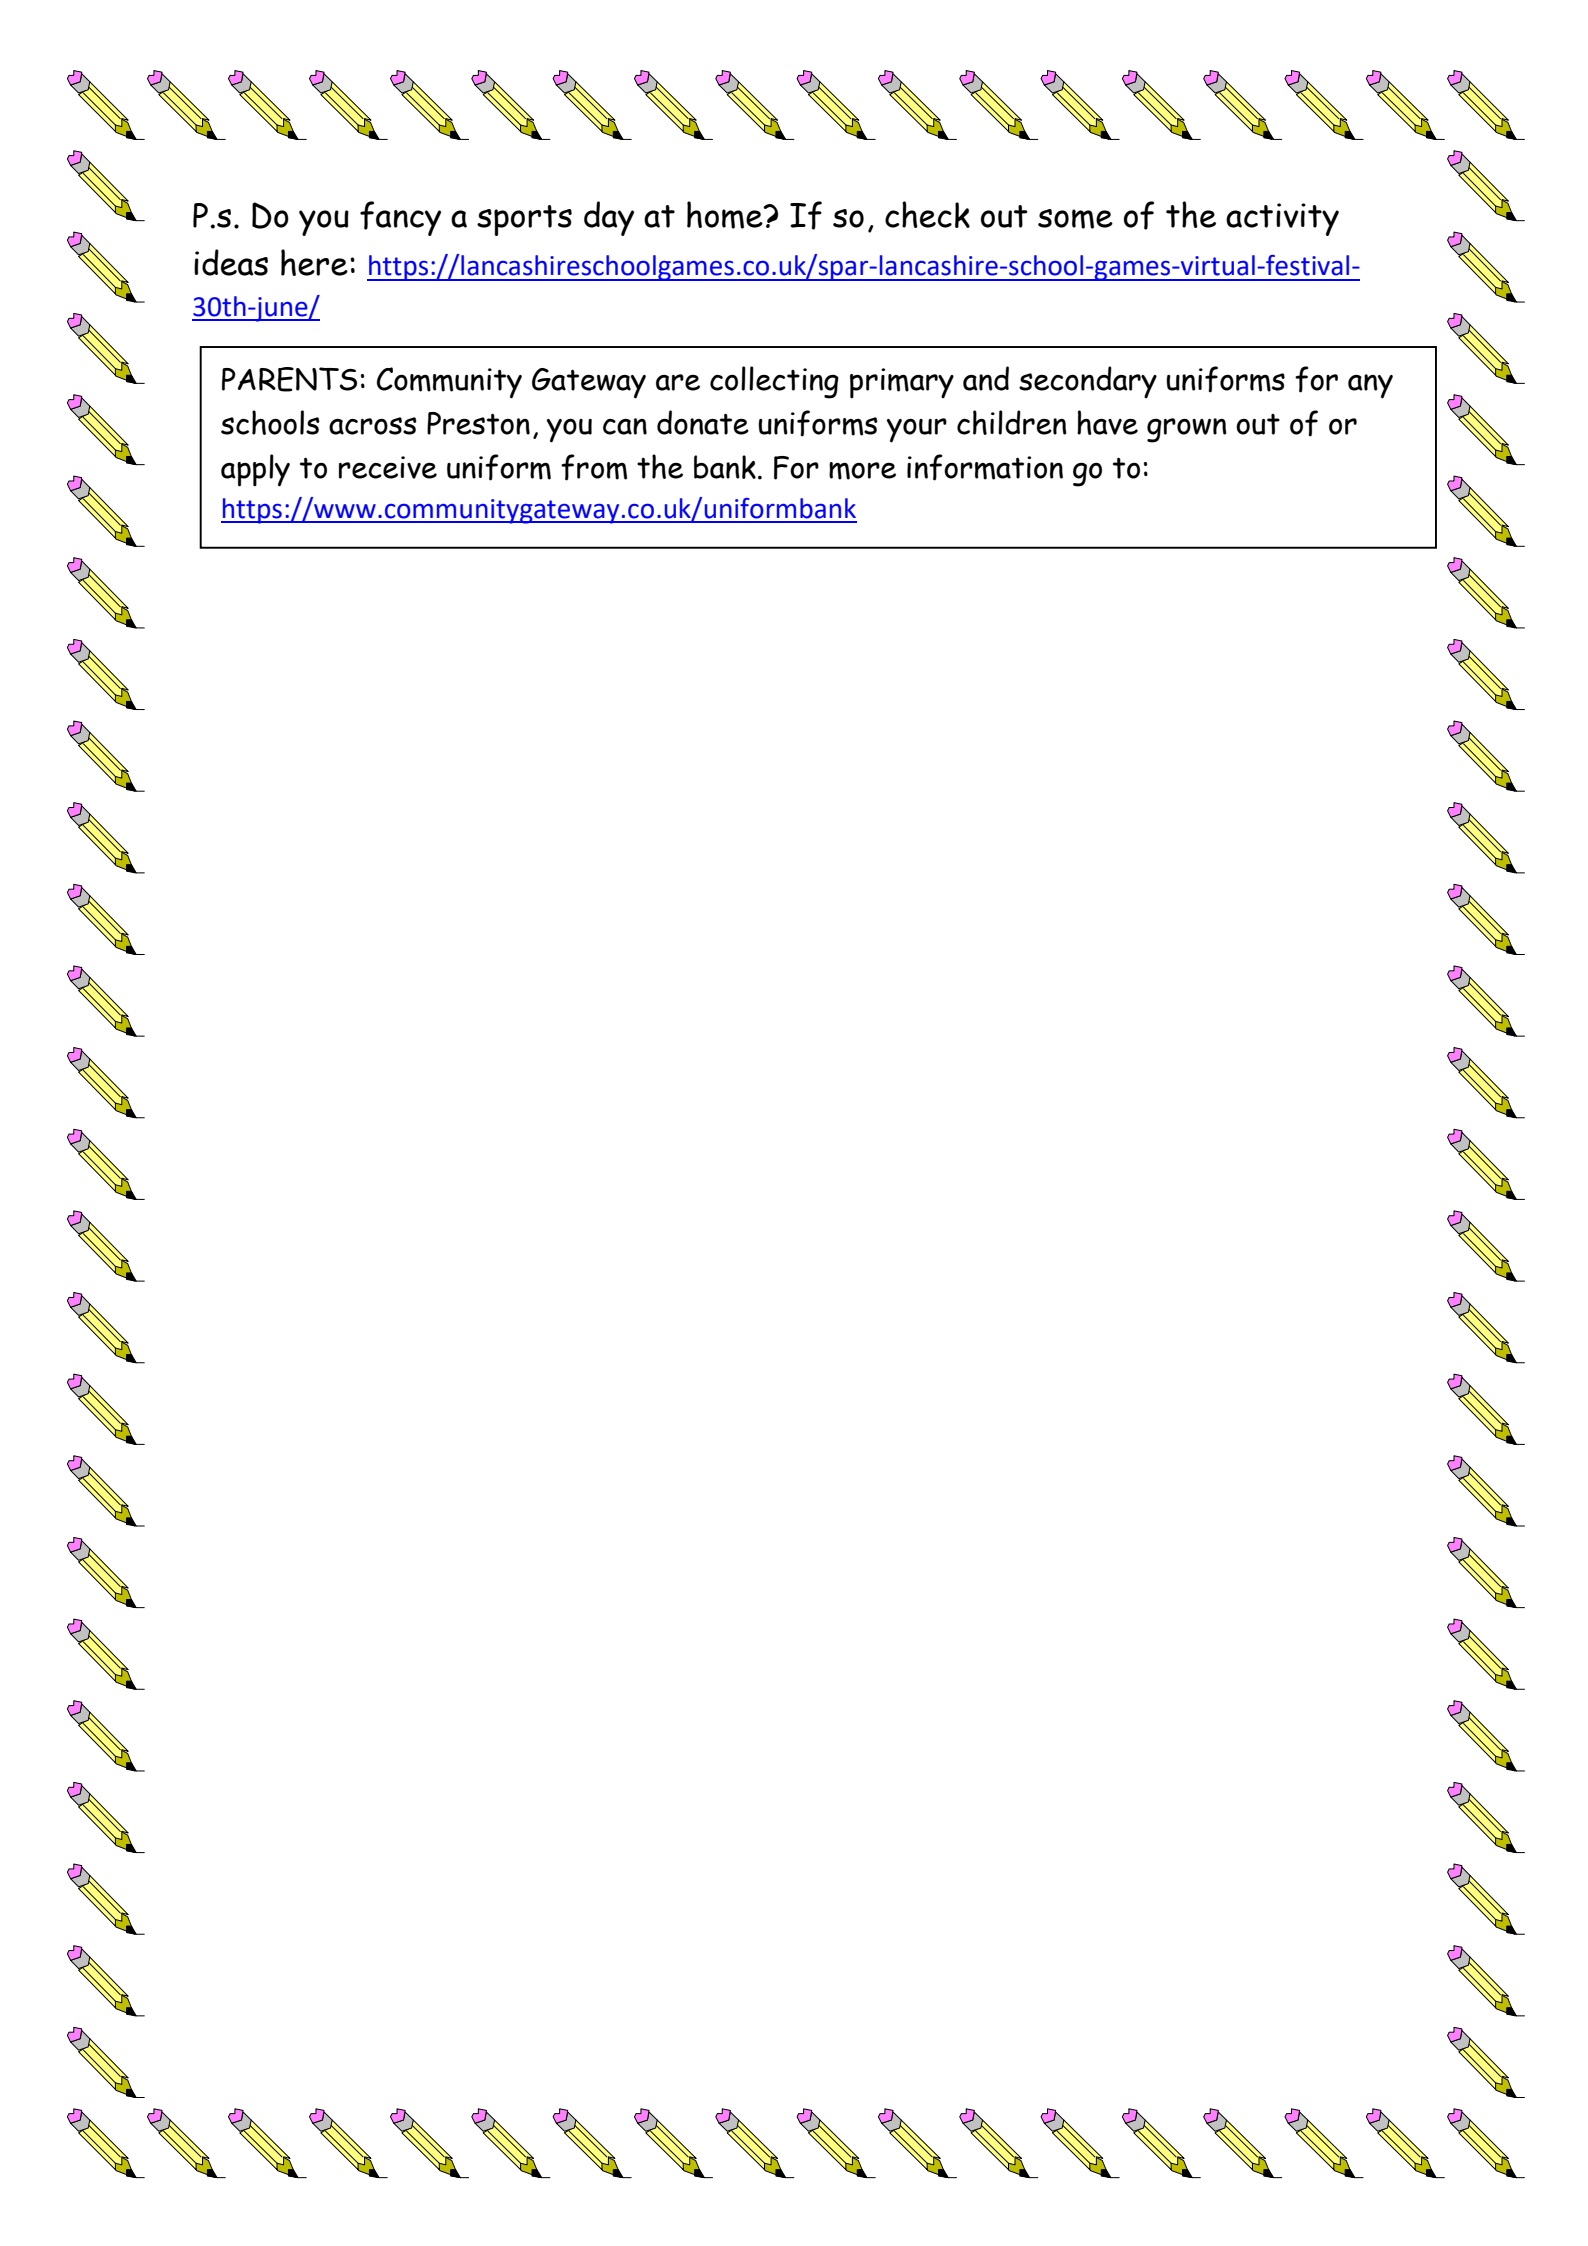

Yesterday I nipped into school to do a few jobs and saw some of you making models of Blackpool Tower out of salt dough. It looked fun; gooey, but fun! ☺ It was great to see your smiling faces and see how much you have grown. I have been growing too. Not upwards though, just outwards!

It was also really lovely to hear from Darcie. Sounds like you are working hard at home with your brother. Keep up the good work! And thank you for the updates Ella and Esme. It's always such a treat to hear what you are up to.

Can't wait to hear from more of you. Take care of yourselves and hope to see you soon.

With love from
Mrs Lucarelli

P.s. Do you fancy a sports day at home? If so, check out some of the activity ideas here: <https://lancshireschoolgames.co.uk/spar-lancashire-school-games-virtual-festival-30th-june/>

PARENTS: Community Gateway are collecting primary and secondary uniforms for any schools across Preston, you can donate uniforms your children have grown out of or apply to receive uniform from the bank. For more information go to: <https://www.communitygateway.co.uk/uniformbank>
