

Class Newsletter

Spring Term – 26/03/2021

This Week

We have had a yet another very busy week in school. We have begun publishing our How to Train Your Dragon stories. In **RE**, we have focussed on the events of Jesus praying in anguish at the Garden of Gethsemane and then explored the two trials he was put through as well as empathising with Peter. In **Maths**, we have focussed on fractions and will continue to do so next week and briefly after Easter. In **Science**, we incorporated the engineering cycle (Plan, Do, Review) working out how to safely make a satellite land on earth, rather than on the water. Or, it could also be known as an egg drop experiment.

In **History**, we played Top Trumps with the Viking and Saxon kings of that era. We have also been practising our singing ready for our Easter Celebration Video. We also had a very exciting Livestream lesson from the RAF about building, launching and evaluating rockets. It was a blast!

Easter

If you haven't already contributed your donation for the non-uniform day to raise money for Hamza and The Compassion Experience, please bring £2 in before the holidays.

On **Tuesday 30th March**, we will have our "**Decorate an Egg**" competition. The egg can be hard boiled or "blown". Please ensure the egg is clearly labelled with your child's name and YEAR group. The base should be no larger than A4 as we are currently more limited to space for display purposes. We will award one prize to the most creative entry in each year group (child produced please). All entries will be returned home on the same day.

Look out for our Easter Celebration video which is coming out next week on our website.

Stars of the Week

The **CHRISTIAN VALUE** award for **FORGIVENESS** goes to **Faye**. She is forgiving of her friends if they fall out or when accidents happen in sports.

The **CURRICULUM** award goes to **Harvey** for excellent effort and producing a brilliant piece of art.

The **RAF Engineers of the Future** award goes to **Sienna** and **Isaac K** for excellent application of the engineering cycle with our livestream lesson.

Outstanding Behaviour

Those children whose behaviour has been 'Outstanding' and 'Over the Rainbow' for 3 or more days this week are:

Amelia, Elissa, Elliot, Emmanuel, Erin, Harry, Harvey, Isaac J, Isaac K, Isaac P, Jack, Jackson, Jessica, Kai, Kayla, Lucas, Lucy, Mia M, Mia W, Oliver, Olivia, Ruby, Ryan, Sienna, William

Home Reading Heroes

Huge congratulations to **Amelia Faye, Elissa, Elliot, Emmanuel, Isaac J, Isaac K, Jackson, Jessica, Kayla, Lucas, Lucy, Mia M, Oliver, Olivia, Ruby & Sienna**. They have read every day this week (whether their school-book or one of their choice), they have recorded it in their reading record, and they have brought their reading record into school so we can see their progress.

Have a fun and safe weekend. See you Monday.
Mr Bateman
