

Resource 1

Look at the resource below, which shares more information about protests.

What is a protest?

A protest is when people show they don't agree with something and they want it to change.

During a protest, people often carry banners or signs to tell us what they are unhappy about. They sometimes chant and sing too.

Have you ever seen or been part of a protest?

What do you think the people who made these signs and banners are protesting about?

People choose to protest in different ways. Some of these ways may include:

- A march
- Block a road
- Sit or lie somewhere
- Go on strike or walk out from work
