

The LORD is my strength & my shield; my heart trusts in him and he helps me. My heart leaps for joy, and with my song I praise him.

-Psalm 28:7

Year 2 Newsletter

No.7 6th November 2020

Our Diamond 9 word this week is 'Creativity'.

This week we have been thinking about the Christian Value of Joy and how we help bring joy to others. It has been lovely to see all the children back in class and how enthusiastic they have been with their work and learning. This week we have been completing assessments in class to check progress since returning to school in September. As part of this assessment, we have been reading and spelling the first 100 high frequency words. You will find these on the red page in your child's reading record. The words highlighted in yellow are the words your child can read. Please practise any that are not highlighted each time you read with your child. Your child will also bring home any words they need to practise in the coming weeks and We have also begun looking at x2 multiplication tables and arrays to represent multiplication and focused on writing sentences and nouns in our English work.

Our theme this half term is "Rumble in the Jungle". Your child will be exploring the UK and world maps in their Geography work. In Science we will be focusing on different animal groups and be finding out about the life cycle of frogs and how we classify animals. In RE we will be focusing on the Nativity story and explore the differences between our world and the world Jesus lived in.

Our **Courageous Advocate** this week is **J.S. Bach** – a Christian Composer who spend time writing beautiful church music for the praise of God.
