

Dear Charlie, Daisy, Ebony, Eliza, George, Georgia, Gracie-Mae, Harrison, Henry, Isla, JJ, Jordan, Kareena, Lyla-May, Max, Molly, Peter, Rylee, Willow, Zachary

I hope you are all having fun learning at home. I hope you are impressing your grown-ups with how much you know and how hard you work. Remember to do as much as you can but don't worry if there are some activities you can't do. Keep reading, keep writing, keep counting!

Please say a great big thank you to your grown-ups for sending me pictures of all the fantastic work you do. I love getting your photos and seeing how hard you are working for your adults. I love seeing the pictures of you outdoors getting some fresh air and exercise. Some of you sent me photos of flowers pushing their way up through the cold and frosty ground. It cheered me up that Spring is slowly on the way, and the day that we are all back together in our classroom is getting closer every day.

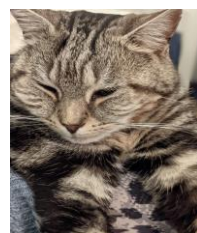

Just like you I have been very busy - planning your lessons and working with your friends who are coming into school. At the weekends I have made sure that, like you, I go outdoors for some fresh air and exercise. There are two beautiful woods and reservoirs near my house that make me feel peaceful and calm whenever I visit. My little puppy Parker was adopted from Greece and he has just seen snow for the first time! He wasn't too sure at first, but loves it now!

Parker

Molly

Ziggy

Keep working hard, but remember to have lots of fun too! Enjoy doing all the things there isn't usually much time for – baking, making, painting, cycling and spending time with your brothers and sisters. We think of you every day, and hold you all in our prayers.

Love from,

Mrs Moores x

*Please excuse the mess,
the children are making
memories...*
