"Let your light shine"

No. 9

13<sup>th</sup> November 2020

Year 1 have had a creative week making poppies for Remembrance Day and learning about the significance of poppies on this special day.

We have created pictures to celebrate the wonderful world God has created and made them into jigsaw puzzles.

Year 1 have also been applying their knowledge and using their thinking skills to answer a variety of maths questions, some of which involved word problems. We have thought carefully about what the question is asking and deciding if we would need to use addition or subtraction

Our **Diamond 9** this week is **independence**; we have all been trying our best to write a full sentence independently, including starting our sentence with a capital letter and finishing with a full stop; whilst still remembering the all-important finger spaces between words. We have been using some of Kung-Fu Punctuation to remind us to use a full stop.

If you have any questions or comments you would like to share please email me
