Spring Term – 24/3/23

Your child's learning is very much a partnership between home and school so if you have any concerns at all please telephone the school office, come and see me or contact me via email at k.morris@leacofe.lancs.sch.uk

In class...

English

In English we have read a new class novel – an abridged version of War of the Worlds by H.G. Wells. The children have also been writing about a fictional planet.

Maths

In Maths we have been looking at fractions, decimals and percentages and the relationships between them.

Other Learning

The children have been busy in D.T learning about food hygiene and preparation. They have been learning about healthy food choices and have designed a menu. In R.E. we have been answering the question, Who is Jesus? In Science we have been finding out about our Solar System and researching the objects in it.

Thank you to all our families who attended our 'Borwick Celebration'. I am sure you will agree that the children had a fantastic time on their trip! It was lovely to see you all ☺

Homework Packs for Easter

The children will be bringing a Homework Pack home for the Easter Holidays. I know that the holidays can be busy times but I would really appreciate it if you can allow your child some time and support so they are able to complete this. It will greatly benefit their learning. Many thanks.

Their motto is 'You have the power to light up the darkness' which goes hand in hand with our school motto and beliefs. **We will be raising money next Friday 31st March in a number of ways:**
