

Important Dates

Please check the website for updates in school at this time.

Friday 20th March 2020

Classroom News

This week we have received a very special delivery of our caterpillars. We have been learning about the life cycle of a caterpillar and have begun to read *The Very Hungry Caterpillar*. We like watching the caterpillars move about and are enjoying watching them grow. We have also been working hard on ordering the days of the week. Please keep practicing these with us as we sometimes get stuck naming the days after Wednesday!

School Closure

You will find a pack in your child's bag which contains activities that you can carry out during our school closure. We hope that you will enjoy completing these activities and they will help the children to keep a routine at home. Additional documents, with activities available, can be found on the Class Page. If you have any questions I will be contactable during school hours:

a.bamber@leacofe.lancs.sch.uk

During our closure we will continue to think about you in our prayers. Please keep safe, keep smiling and we look forward to seeing you all again in school soon.

Mrs Bamber, Mrs Gingell & Mrs Perry

Curriculum Award – Jack for using a much louder and clearer voice. It has been lovely to hear his voice in class this week with other children.

Christian Value Certificate for Creativity – Lily for thinking about the life cycle of a butterfly and using this knowledge to build Lego models of the different stages
