

## Class 5 Newsletter

Autumn Term - 20<sup>th</sup> November 2020

### This Week

Your children have made me so proud this week! We have been completing assessments in English and Maths, and the attitude of the children, their resilience and their desire to achieve well has really shone out. We are in the process of marking all their work but initial results are looking really promising and their hard work will now help me plan our next steps in terms of teaching and learning. We have also enjoyed learning about the Western Front during WW1 and started our new RE unit on Advent.

### Next Week

The children will be continuing to focus on our classic text, The Wizard of Oz in English, completing both Reading and Writing tasks linked to character and setting. Fractions (always a tricky one!), will be our focus in Maths for the coming days. We will begin our work on electricity in Science and be learning about the Home Front in our History lesson. Miss Watson will be creating war dances with the class during their PE afternoon.

### Please note...

**24<sup>th</sup> November** is our Sponsored '10' – the children are going to do 10 laps of the school field, raising money for Tearfund. We are hoping to do this event alongside our Buddies, adhering to social distancing and hand sanitiser rules of course! If your child would like to bring in a bucket, to carry the water on the day then this is fine. They will also need **old trainers, walking shoes or wellies** as the field is very muddy at the moment!

Please send sponsor forms in as soon as possible.
