#### Home Worship!

I'm sure if you are anything like me you are missing our School Worship – I love that time where we gather together as a school family to reflect and pray together. And I most definitely miss the singing!

Mr Bateman has been busy creating a video of one of our favourite songs 'My Lighthouse'. It is under the Home Worship tab on the website.

Have a look and a family singalong with actions! You could also say some prayers together if you want to.

#### **Picture News**

This week's picture news is all about Captain Tom Moore who has now been promoted to Colonel by the Queen as part of his 100<sup>th</sup> birthday celebrations! I hope you have had a chance to look at Dylan's PowerPoint (in our class area) all about him – if you haven't then have a look now!

Look at this week's poster and information page (see below). Discuss the question with someone at home. What do you think? What do they think? Talk about how sometimes it's not the biggest actions that can have the biggest impact and that all of the things we do affect the world around us!

Captain Tom didn't even leave his garden but managed to raise a lot of money and raise the spirits of the nation!

Can we think of anything we can do at the moment to help others? Watch this useful video <https://bit.ly/3aAsW9X> which shows Captain Tom receiving a Pride of Britain Award.

Mother Teresa, a Catholic nun who dedicated her life to helping others said, "If you cannot feed a hundred people, feed one." Talk about what you think she meant by this? Do you agree?

Challenge – Write a letter or thank you card and send it to someone who has made a difference in your local community, this could be for a teacher, family member or neighbour.
