This Week

This week, in **English**, we returned to our English unit focussing on 'Aladdin and the Magic Lamp'. We have focussed on vocabulary and setting description. In **Maths**, we focussed on measurement; specifically conversions of time; metric conversions and imperial to metric conversions. In **Science**, we explored momentum and pendulums and how air resistance and gravity slow objects down. In **RE**, we focussed on the women Abigail and Rahab and how they laid their life on the line to save people. In **History**, we investigated the early Islamic Civilization of AD900 and how the city was built. In **Computing**, we began to code our programming for the Al-Khwarizmi Scratch presentations. In **PE**, the Year 4 children went swimming and the Year 5 children began their Superhero dance unit.

CAN YOU HELP?

We are trying to raise money to replace the Playground Gazebo. A "Bag Pack" has been organised at **Morrisons on Saturday 22nd June from 10am-6pm** in order to raise funds for school. We are asking for children aged 8+ (must be accompanied by an adult - 1 adult up to 4 children per till) to come along and pack members of the public's shopping at the checkouts. If you are able to spare an hour or so, please sign up to a "slot" on the sign-up sheet - available in the school office or call the office to book in a session.

The **CHRISTIAN VALUE** award for **JUSTICE** goes to **Harley** who made sure that everyone on his table participated in the Science investigation.
