

Welcome Back!

Happy New Year and welcome back to school! I hope you have all had an enjoyable and relaxing Christmas break.

As always, if you have any questions or concerns, please contact me via the school office or email:

This week in Class...

In English this week we have been looking at non-fiction texts and their features. We have created fact files, explored new vocabulary and written an informative paragraph about the sun.

In Maths we have looked at number sequences and co-ordinates. We have also been translating and reflecting shapes on a grid.

We have started our new Science topic on 'The Solar System'. In Geography we have been finding out about extreme temperatures on Earth. In R.E. we have been thinking about significant events in our lives and what makes them significant.

Other News!

Christmas Around the World Project

Thank you so much for supporting the children at home with their project work. The projects were fantastic and I really enjoyed reading about Christmas traditions across the globe.

Health Questionnaire

Next week, on Monday and Tuesday, the children will be completing a 'Health Needs Assessment Questionnaire'. This is a nationwide questionnaire which allows our school nurse to assess health and social needs of the children in Year 6. The questionnaire can be viewed via the following link:

<https://lancsyoungepeoplefamilyservice.co.uk/school-nursing/>

If you do not wish for your child to complete the questionnaire or would like to speak to the school nurse, please contact them directly on 0300 247 0040 (option 1). Thank you for your support
