### Class News

Hello, everyone. This term seems to be flying by! Class 4 have had a wonderful couple of weeks, still keeping their learning going. We have been looking at statistics and shape in maths. The children have been working really hard to read and interpret different types of tables, charts and graphs. They have also been looking at angles and how to measure angles using a protractor. In English, we finished the poems that the children had been developing using figurative language. This week, we moved on to looking at specific comprehension questions about the next few chapters of our book "The Wild Way Home". Ask your child about the fantastic plot of the story so far, we have all been hooked! In RE we have been learning about rules and the ten commandments. We have also been preparing for our class worship (Monday 7<sup>th</sup> July) which the children can't wait to share with you! Thank you to everyone who was able to join us on Wednesday afternoon, for our class showcase. It was amazing to see so many of you getting stuck into the cave art! We really appreciate your support and kind words. It is a very busy few weeks ahead, we are looking forward to celebrating a fantastic year together, and sharing Moving On Morning on the 16<sup>th</sup> July, with their new teacher (Year 4 have a head-start!) Mrs Griffin 😊

### Important Notice

As with any exciting end of term event, all events listed above are behaviour dependent, in line with our school Behaviour Policy. Please see details of this on our school website.
