

Class 5 Newsletter

Summer Term – 16th April 2021

This Week

The children have returned to school well – they recognise that this is the final term of their time at Lea Endowed and we are determined to enjoy it and make the most of our time together. We have paid respects to Prince Philip, The Duke of Edinburgh, by writing our own prayers which are fluttering beautifully in our Reflection Area so that others can read them and reflect. We also researched his life and learnt new information about his achievements and legacy. Our Maths has centred around number and place value and we have also completed a SATs paper to give us the experience of completing timed tests. Our PHSE has focused on Drugs Education and our understanding of the problems relating to drugs.

Thank you!

Thank you to all the families who contributed flowers and plants to help us celebrate the life of Prince Philip. We are still accepting contributions, which we are planting in our school grounds, as a lasting memorial.

Our **Courageous Advocate** this week is.....
Stuart King

Together with a handful of Christian airmen, Stuart believed that aviation and technology could be used to help the most vulnerable, hard-to-reach places — and this passion grew to become a lifelong mission.

Celebration

Trust – Archie for really working hard to build up the tower of trust, working hard and being polite and respectful.

Star Writer – Jake B for an excellent argument in preparation for our debate about mobile phones.

Super Work – Ethan for shining quietly in all he does. We see you and appreciate all your hard work Ethan!

School Uniform

Please note that all children should come to school in their PE kits every Tuesday

We totally understand that acquiring new uniform has been really difficult during lockdown. However, with restrictions easing and non-essential shops re-opening, we ask that all children come to school in the correct uniform, **including correct footwear please**. PE kits should ideally not have a logo, and include a plain white t-shirt and blue or black jogging bottoms and a hoodie.

Our Christian Value for this week has been
TRUST

Next Week

We shall be using our new skills in debating to build up arguments for and against the construction of the new Western Link Road, which is so prominent around school at the moment. We will also be using formal language and conventions to write letters to the people responsible for the road. Our new RE unit is Ascension and Pentecost and we shall discover how others have been impacted by the Holy Spirit. Maths will focus on formal methods of multiplication and division as this has been identified as an area of weakness following the SATs practise paper.
