Our Value this week is

PEACE

"Let your light shine." Matthew 5:16

This week, the children have been revisiting all the English and Maths skills they've been learning throughout the year. The teachers have been commenting very positively on how much effort the children have put in to their learning despite the obvious challenges. All classes enjoyed taking part in our Marvellous Maths Day, this week, which included a wide range of challenges, tasks and puzzles; giving the children a great opportunity to use and apply their mathematical skills, in a variety of contexts. It is unfortunate that we had to restrict this special event, by keeping the children in their Bubbles, however the children loved the day and are thankful to still be in school, enjoying their learning.

EXTRA HOLIDAY DATE

I have had confirmation that we will all be entitled to an extra Bank Holiday next year to celebrate the Queen's Platinum Jubilee. As we are already on holiday when this takes place, we have added Monday 20th December to our holiday pattern for 2021-2022. This means we will break up for Christmas on Friday 17th December at 2pm. The new holiday pattern is available on the website.

NATIONAL ONLINE SAFETY

As part of our ongoing crusade to help keep children safe online, I am delighted to announce that we have invested in a fantastic package of training and resources for staff, parents and children, by working with **National Online Safety**. The resources are quick and easy to use and are completely **FREE** to use.

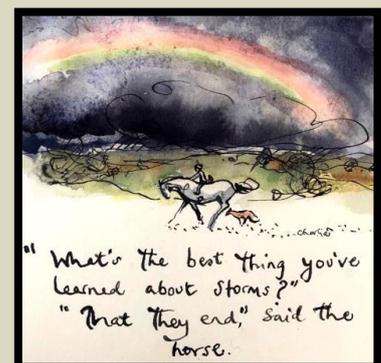

To create your **FREE** account, please follow <https://nationalonlinesafety.com/enrol/lea-endowed-ce-primary-school> and complete your details. When you're set up, you'll be able to set 'Parent/Carer' as your user type.

Please see my separate letter for more details.

IMPORTANT: If any of your household are displaying symptoms (a persistent cough, temperature, loss of taste or smell) it is extremely important that you keep your child at home until the symptomatic person in the family, has received a negative PCR test. If anyone in your household has a positive PCR test, the whole household must isolate for the 10-day period.

RACE for LIFE

Please help us to reach our £500 target to help beat Cancer. We have our very own Online Giving Page which you can use to donate online. You can access this page here: <https://fundraise.cancerresearchuk.org/page/lea-endowed-c-of-e-primary-school>

Thank you for your continuing support,
