Classroom News

We have been busy this week talking about all the people who can help us in our lives. We had bakers, doctors, nurses, dentist and even train drivers. We have started guided reading too where we go out with Mrs Bamber to read a story and use lots of skills to work out what is happening in the story and talking about the characters.

In Maths we have begun to look at adding together two groups using lots of equipment.

In R.E we have listened to the story of Moses and talked about our favourite parts in the story and acted it out.
