- 8:55am**

This Week...

We have really shifted into Christmas mode. We have practised our Nativity 'The Greatest Gift' daily ready for the performances next week. The children have been working on their actions and should now be word perfect with any lines they may have. Around the rehearsals we have managed to find time to write our fact sheet on Reindeers for the Elves. Hopefully they are finished and you will find a copy in their bags ready to send back to the North Pole with Santa.

In Maths we have been working on our quick recognition of number facts - number bonds to 10, doubles of numbers to 10, halves of even numbers to 20 and number recognition to 50. All children should be fluent in these skills. Please practise over the Christmas holiday if they are struggling in any of these areas.
