The past fortnight in Class...

In English we have finished reading our Class Novel: Deep Water by Ann Turnbull. We have enjoyed writing the next part of the story, exploring the characters reactions and feelings and writing book reviews about it.

In Maths we have explored percentages and proportion, linking this to our previous work on fractions and decimals.

In R.E. we have been exploring the Advent Wreath and finding out about its purpose and meaning. The children led a whole school worship about this on Wednesday of this week. We have been discovering more about World War One in History and how and why it started. In D.T. we have begun making our 'moving and light up' electrical Christmas decorations! We have also been busy rehearsing our Nativity Play ready for the big recording next week! Please encourage your child to practise their lines.

Other News!

REVERSE ADVENT CALENDER

This week we have started our 'REVERSE ADVENT CALENDER' in class. Each child will take a turn throughout December to open a door on our traditional advent calendar and I ask that in return they please bring one item that we are able to donate to Preston's food bank (e.g. toiletries or non-perishable food). I am sure you will agree that this process will help the children understand the importance of helping other's at Christmastime, as Jesus intended. Thank you once again for your support with this.

Parents' Evening

It was lovely to speak to so many of you at Parents' Evening last week. The relationship between home and school is so important in supporting your child in their learning so thank you!

Athletics

A very big well done to our Athletics team who came first place in the Small Schools Category at the competition last week! Congratulations 😊
