Home Learning...

Well done to everyone for working so hard this week, whether you have been in school or working at home!

Keep looking out for emails from me! I will email you once a week alongside our Zoom call, plus texts and newsletters. Emails might be in your junk folder if you haven't seen them! I hope you are all enjoying the Zoom calls. I will try to organise a different game or feature each week, as well as having the opportunity to catch up with the rest of the class. I will also send a text with the Zoom details next week to make sure everyone receives it.

Thank you to everyone who has sent me photographs, videos and examples of your work this week! I have loved looking through each and every piece. Please keep sending these to me each week, I really enjoy seeing how much progress you are all continuing to make.

Please contact me if you would find a paper pack of resources easier to access and I will organise this for you.

Mental Health Week and Inside Out Day

1st February is the start of Mental Health Week. During this week we will focus on raising the children's awareness of Mental Health and encourage positive conversations about our feelings. Inside Out Day is 3rd February when wearing an item of clothing 'inside out' will help to represent the importance of being kind as we never know how someone is feeling on the inside!

Worship

This week our theme during worship has been Courage. It is especially important to be strong and courageous during these very challenging times.

We are sending lots of love and prayers for all of our Lea family who aren't with us in school at the moment.

As always, if you need to contact me, my email address is l.shepherd@leacofe.lancs.sch.uk
Have a lovely weekend,
Miss Shepherd
