

Class 5 Newsletter

Summer Term – 14th May 2021

This Week

This week, we have taken on advertising as our theme for Extreme English Week. The children have designed their own chocolate bars and made a prototype bar with a well-designed sleeve and a catchy slogan. We then made our magazine advert on the laptops, promoting our new product. The children used persuasive language and thought about their audience. We then went on to film a television advert on the I-PADs, where we used our intonation and oral skills to persuade our viewers to eat our chocolate bar! The children are budding entrepreneurs!! We also looked at some favourite picture books and created story sacks for our buddies which we gave out on Thursday. The class were super creative and really tried to make the bags special.

Go, Year 6!!

Class 5 have been complimented by many staff this week and I feel really proud of them all. Mrs Barrow from Ashton High School commented on how happy, bubbly and polite the children were, and the Reception staff were blown away by the compassion and patience Year 6 showed with their buddies during our 'Buddy Get Together' on Thursday. They swapped small gifts, read to the Reception children and played games on the field. It was a joy to watch 😊

Our **Courageous Advocate** this week is.....

John the Baptist

John was wonderful and did incredible things. He wanted people to see how amazing Jesus is, and for people to trust Jesus with all their hearts.

Our Christian Value for this week has been
Compassion

Sympathize
with each other.
Love each other as
brothers & sisters.
Be tenderhearted,
and keep a
humble attitude.

-1 Peter 3:8

Celebration

Compassion – Alfie for being really kind hearted to his buddy and the other children in class 😊

Star Writer – Ryan for creating a wonderful magazine advert

Extreme English Writing Prize – Archie for making a huge effort with his story sack for his buddy

Extreme English Reading Prize – Ethan for being consistently enthusiastic about his Reading

Key Dates

21st May – Close for Half term @3:15pm

7th June – Reopen at 8:45am

1st July – Maths Carousel Day

5th - 9th July – Super Safety Week

Next Week

We shall be basing our English work around a short film, The Piano. We shall also be practising our lines for the Year 6 End of Year Production, 'Wow, What a Year!' which we are really looking forward to. Our Maths will continue on Area and Perimeter and we shall be plugging some gaps in our Arithmetic too. Class 5 will complete their Science on the heart and we will continue our History topic on the 1960s. The children will be putting together a Courageous Advocate powerpoint as part of our RE topic.
