This Week...

In English we have been looking at instructions. We noticed they used bossy words e.g. cut, stick, pour. They had a 'You Will Need' box and they often had a "How to" title. We followed a set of instructions independently to make a fish.

In Maths we have been looking at 2D and 3D shape. We have been looking at 3D shape faces and have built some of our own 3D shapes from construction materials.

On Tuesday we focused on how to stay safe on the internet. We talked about the types of information you can share on line and information you need to keep to yourself. The children took part in a poster competition.

Next Week....

We will be looking at instructions in English.

In Maths we will be looking at division
