

## Class 3 Newsletter 23.04.21

### **This week in Class 3...**

We have been thinking about deforestation and taking part in a class debate. We have planned a balanced argument and also prepared a persuasive speech to be delivered in front of the class. In Maths, we have been trying to use mental strategies to solve problems and have considered the importance of estimation before calculation. In Science, we have been monitoring the growth of our class plants as well as planting 5 sunflower seeds. We are hoping they grow incredibly tall! In Geography lessons we have been studying the Amazon rainforest in more detail and looking at the animals and plants that live in the 4 different layers.

### **Uniform**

As we enter the third week of our Summer term, we are beginning to look closely at school uniform. We understand that the shops have only just begun to reopen, so please can you make sure, as much as possible, that your child has the correct uniform please. As a reminder, this includes grey trousers/skirt, gold/yellow polo shirts, black/grey socks for boys with the option of white for girls and sensible school shoes, not trainers. PE kits should be plain, navy blue or black tracksuit bottoms and a hoodie with a plain, white t-shirt. Thank you.

### **Courageous Advocate**

The courageous advocate that we have been celebrating in school is Corrie ten Boom. She was a Dutch Christian watchmaker, and later a writer, who worked with her father, Casper ten Boom, her sister Betsie ten Boom and other family members, to help many Jews escape from the Nazis during the Holocaust in World War II.

### **Easter Decorate an Egg Competition**

I would just like to congratulate Emily who won the Decorate an Egg competition. Well done - it was a very realistic entry!

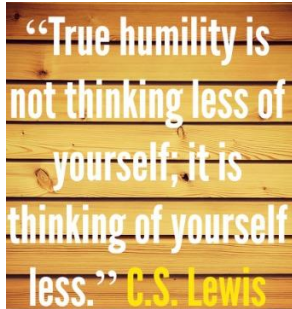

### **Certificates**

Christian Value award - Humility

Ruby for always quietly shining

Curriculum Award

Thanks for trying hard in Maths this week

"True humility is not thinking less of yourself; it is thinking of yourself less." C.S. Lewis
