This week in Class...

Maths

This week we have been revising key areas of Maths and completing lots of reasoning and arithmetic questions using our knowledge and skills.

English

This week we have been practising a variety of Reading questions as well as looking at some test techniques. We have been revising key areas of spelling, punctuation and grammar too!

I am very proud of the children and pleased to hear some are "looking forward to SATs week!" As well as the tests, they have breakfast at school, sweets and extended playtimes to look forward to! 😊

Other News!

SATs Week!

Please ensure children are well rested, with a good breakfast and in school on time each day. Children can enter school through the hall door next week 😊 Thank you for your continued support. The children are welcome to bring a small mascot to 'support' them on the test days and a water bottle is a necessity, please, to keep them hydrated! We will be making juice and toast before the tests each morning.

SATs don't measure sports, SATs don't measure art,

SATs don't measure music, or the kindness in your heart.

SATs don't see your beauty, SATs don't know your worth,

SATs don't see the reasons God put you on His earth.

SATs don't see your magic, how you make others smile,

SATs don't time how quickly you can run a mile.

SATs don't hear your laughter, or see you've come this far,

SATs are just a tiny glimpse of who you really are.

So sitting at your table, with a pencil and your test,

Remember SATs aren't who you are, **remember you're the best.**

In between the tests we will be doing some last minute revision and preparation as well as some well-earned PE lessons and a bit of Art work to help us de-stress and relax!
