"Let your light shine." Matthew 5:16

This week we have been considering World Mental Health Day (Thursday 10th October). We have used the opportunity to remind children of our School Vision and how the things we "feed" our minds with, can have a huge impact on our own mental health and wellbeing. Please talk to your child about the importance of making good choices about what they watch, listen to, and spend their time doing. Children's access to online "entertainment" can be hugely damaging to children's young minds so please ensure all devices accessed by your child are blocked for inappropriate content. There are many useful links and a wealth of information on our website to help you with this.

It was unfortunate that we weren't able to hold the Bog Eyed Jog outside with everyone watching but the children still thoroughly enjoyed the event. Thank you to all those who have already sent in their sponsor money. Please send in any outstanding money as soon as possible.

HARVEST SERVICE

Our Harvest Service will be taking place at **St Christopher's church on Sunday 13th October at 9:30am**. We are hoping that as many children as possible, along with their families, will be able to join us. Our children will be participating in the service. Where possible, **please support us in further strengthening our links with our school church.**

Congratulations to the footballers who played in the inter school football competition last week. The children secured first place in the "Small Schools" league, which was a wonderful achievement, especially as not all schools were small! The team also played Longsands last night in the pouring rain. Although we lost 2:1, good sportsmanship was shown throughout - well done team!
