at Home

25<sup>th</sup> November 2019

What's going on this week?

Broadclyst Community Primary School in Exeter has an average class size of 42 and is home to one of the biggest primary aged classes in the UK with a Year 6 class of 63 pupils! The school is known for its forward-thinking approach and good use of technology. The large Year 6 class are taught in a modern lecture-theatre style room where each child has their own digital device as a learning aid.

*Things to talk about at home...*

- 🍎 Talk about how many children are in your class, ask any adults you live with how many children were in their classes when they were at school. Were the class sizes bigger or smaller?
- 🍎 Discuss the benefits of big class sizes and smaller class sizes.
- 🍎 Share your thoughts about the layout of the Year 6 classroom at Broadclyst (shown in the poster above). How is it similar or different from your classroom?

*Please note any interesting thoughts or comments here...*
