

## Class 5 Newsletter

Spring Term – 15/03/19

### This Week...

#### Maths

This week we have been solving multi-step word problems in different contexts such as money and measure. We have been thinking about reading questions carefully and checking our answers.

#### English

We have continued reading our Class Novel: 'There's a Boy in the Girl's Bathroom'. The children have been thinking about and describing the main characters as well as exploring American vocabulary in the story.

#### Across the Curriculum

This week we have continued our BIBLE EXPLORER journey thinking about making the right choices and how the bible teaches us to do this, in our own lives. In Art we have created digital pictures showing our aspirations for the future.

### Next Week...

#### Maths

We will be looking at Geometry (2D and 3D shapes).

#### English

We will be continuing to read 'There's a Boy in the Girl's Bathroom'. We will be exploring the main character in more depth through poetry writing and we will be writing a continuation of the story.
