Our theme this half term is  
**COURAGE**

"Let your light shine." Matthew 5:16

It has been a very unusual start to this school year but I would like to highly commend all the children for the way they have responded so respectfully to the period of mourning. As this chapter in our history draws to a close, I am sure we will all want to look forward with renewed hope for the future.

As we are now a few weeks into the school term, our routines are established and we are very busy with the teaching and learning of the curriculum. The curriculum at Lea Endowed is based on establishing a lifelong love of learning.

Please see below **Our Curriculum Statement of Intent**; the words highlighted in green are our Curriculum Diamond Nine words which we use as a weekly focus for all our learning. For more information, please see this term's Curriculum Overviews and Class Targets on the class areas of the website.

At Lea Endowed Church of England Primary School we provide a Deep and Wide curriculum which supports a **lifelong love of learning** for every **unique** and individual child, underpinned by our distinctively Christian ethos.

The teaching and learning of the curriculum is **inspirational** and **relevant** to promote **creativity** and the **courage** to ask Life's Big Questions. Through positive **challenge**, children will **flourish** and become both **independent** and **collaborative** learners.
