

Hello Year 1,

It was so lovely to see so many of you yesterday! I have missed you and it was great to find out some of the things you had been doing and fun to get to play some games with you!

A HUGE 'Well Done' to our project winners Mia, Micah, Esme, Ella and Jenson, your projects were brilliant. I must also give a special mention to Mia for an Outstanding project which must have taken many hours to complete. You should be very proud Mia for such a wonderful piece of work.

What a year we have had! I don't think there will be another year quite like this one! Can you remember some of the things we have done?

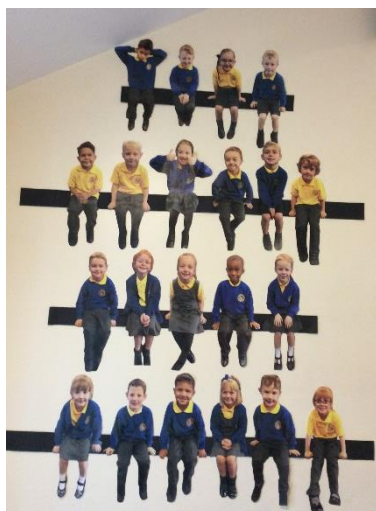

Some of my highlights have been our adventures in Forest School...

and our Christmas Production of God's Special Plan. What have been your highlights?

For those still in school, next Wednesday (22nd) will be your last day in school. The day will finish at 1:40pm.

And to you all, thank you for such a lovely year. I'm sorry we didn't get to spend more time together but I know that you will all do fantastically as you move into Year 2. I look forward to nipping into school to say hello next year with my new baby boy. Have a fantastic summer.

Remember you are important, special and unique. Keep shining brightly.

Lots of love and prayers from

Mrs Lucarelli
