Class News

In Year 1...

We were so proud of all our Year 1 children for their fantastic Whole School Worship. Considering the short time we had to practise, all the children showed great courage and skill as they performed. They worked really well as a team to retell the story of Paul and share the message that God can be our rock.

This week we have been looking at money and trying to identify the value of coins and notes. If you have chance to look at some real coins and notes, that would be really useful for consolidating their learning.

In English we have been working on our sentence formation and comprehension.

In Year 2 ...

In English we have been looking at the story The Owl who was Afraid of the Dark and have been working through each chapter. We have learnt lots of information about barn owls and other facts about constellations. We created our own fact files for Barn Owls and created our own part of the story.

In Maths we have been looking at how to present information and have been creating tally charts and pictograms. We voted on our favourite fruit and sports to help us with our learning.

Next Wednesday we will be off on our trip to Blackpool Tower. If you haven't yet paid, please do so on Parent Pay. Please make sure your children are at school for the EARLIER start of 8:30am and that they have a packed lunch. All children will need to wear school uniform.

Please see the following page about upcoming dates...

Thank you.

Uniform

Many of you will already be thinking about school uniform, and preparing for the next school year in the coming months.

Please remember to check our school website and the uniform list **before** you purchase and uniform, shoes or trainers for PE.

We respectfully ask that parents keep to our uniform code, and please name all items of clothing and equipment that comes into school.

As the children wear the same, if your child misplaces an item, it is very difficult to track down a missing item of uniform without a name. There over one hundred and forty children all wearing the same thing!

Do check out the '[*Uniformd*](#)' platform for a more cost effective and environmentally friendly way of purchasing school uniform for your child.

A flyer with more details about this can be found on our school website in the Parents section.
