

### Dates for the diary

13<sup>th</sup> June – School reopens

14<sup>th</sup> June – Class Photos

16<sup>th</sup> June- Clean Air Day

29<sup>th</sup> June – Super Science Day

### Clean Air Day- 16<sup>th</sup> June

Could you walk to school, ride a bike or use a scooter? Try not to use your car for short journeys to help keep the air clean. As well as improving air quality, cycling and walking short distances can be calming, it can give us space and time to think, talk to others, and take a short time out of our busy days.

### Reception Classroom News

#### Friday 27<sup>th</sup> May

This week has been a very busy one in Reception. We have enjoyed a special Queen's Platinum Jubilee Worship with the rest of the school and on Thursday we were presented with our very own Bibles. These will be kept in school so we can use them during our R.E lessons and at other times throughout the year. We have already been looking at the stories inside them and recognising some of the ones we have learnt about in class this year.

Today we have had a fun filled Jubilee Celebration Day! We have spent the morning moving between Reception and Class 2 to create some wonderful crafts. We have made our own mini Queen and some Union Jack themed decorations. It has been such a fantastic day and we can tell you lots of things about the Queen as we have been learning about her this half term in our History lessons.

We have brought home our broad beans this week and were amazed at how they have all grown so differently. We reminded the children that this is just like them, each of them is unique. Please keep watering them and put them in a sunny spot at home to keep them growing.

### Diamond 9

Our Diamond 9 word this week in class has been 'Collaborative'.

We hope you have a restful and safe half term holiday and we look forward to hearing about what you have been doing on our return at 8.45 on Monday 13<sup>th</sup> June.

**Curriculum Award** – Layton for a fantastic piece of homework  
**Christian Value Certificate** – Summer for being a great friend and showing compassion to others

Well done on letting your lights shine so brightly!
