### This Week

We have had lots of fun raising money for Burundi. All children did a fantastic job gardening on Wednesday and definitely earnt their sponsorship money. I hope you have managed to get the clothes clean, the rain made it a little muddy!

### Thank you

Thank you very much for ensuring all reading books are back on a Monday. We have had 100% success rate with having the books in on time, which is incredibly helpful in enabling us to deliver the weeks reading practice sessions.

### BSYW

We have enjoyed having Blackpool School's Youth Workers, Helen and Sue into Year 1, for 3 consecutive Tuesdays. They have brought alive the Bible in their short 20 minute sessions and have taught us more about what being a Christian means.

### Manners

Please remind your child about the importance of good manners at all times – we have had a few children forgetting recently. Thank you
