

Our Christian Value this week is

Compassion

Be kind and compassionate
to one another, forgiving each other,
just as in Christ God forgave you.

Ephesians 4:32

White & Blue

16th July – Move On Day

21st July – Disco, 5-6pm (see
letter)

Class 1 Newsletter

Friday 04.07.25

Reception

We have been up to space this week. We are exploring 'How to catch a star' in Literacy, and have been learning about Neil Armstrong as part of our Significant Scientists topic in Science. In RE we have learned how Jesus met some of his special friends and that they are known as the Disciples. We learned how some were fishermen before they went to follow Jesus. In Maths we have looked at repeating patterns and tried to work out what the pattern rule is. We made our own patterns using a simple pattern rule.

Year 1

We were so proud of all our Year 1 children for their fantastic Whole School Worship. Considering the short time we had to practise, all the children showed great courage and skill as they performed. They worked really well as a team to retell the story of Paul and share the message that God can be our rock. This week we have been looking at money and trying to identify the value of coins and notes. If you have chance to look at some real coins and notes, that would be really useful for consolidating their learning. In English we have been

Come to school – it's really cool!

Be on time – it helps you shine!

Diamond 9

Our Diamond 9 word this week
in class has been 'Creativity'.

Year 1 trip – please can children be in school for 8.30am on 9th July for a prompt departure. Children will need a packed lunch and drink – please see the letter for full details.

School Disco 21st July

5.00 – 6.00 Reception & KS1 **6.15 – 7.15 KS2**

The cost is £3.00 per child or £5.00 for a family ticket, payable on ParentPay. This includes a snack and drink. Please make sure children are dressed in sensible footwear and comfy, cool clothes!

Year 6 Enterprise Day 10th July

We'd love your support for Enterprise Day which is organised and run each year by Year 6. There will be stalls and games to enjoy. To avoid overcrowding and long queues, each class has a time slot as follows...

2.00 – 2.30 Class 2 and Class 4

2.30 – 3.00 Class 1 and Class 3

When children are leaving, they need to collect a 'token' from their class teacher which they then give to Mrs Seagrave on the gate. That way we know which families have gone and who's still on site. We hope that Year 6 can raise lots of money for good causes and look forward to a fun afternoon.

Reception Certificate Winners	Year 1 Certificate Winners
<u>Curriculum Awards</u> Alfie – for fantastic labelling of the planets. Brody – for amazing storytelling with the space ship small world figures.	<u>Curriculum Awards</u> Harry – for his excellent work with money.
